

Oil-Tight Hole Seals 316SS UL

steel, gray painted

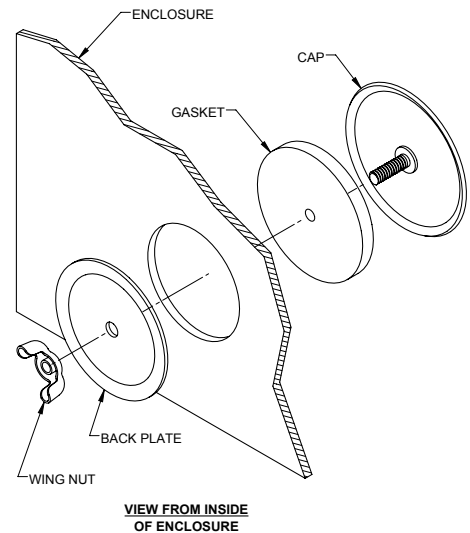

stainless steel, brushed

steel, RAL 7035 textured powder coat

steel, ANSI 61 textured gray powder coat

Part Number	Material / Finish	Application	Max. Hole Diameter	Hole Seal O.D.
<b>T110</b>	steel, ANSI 61 gray painted cap	miniature oil-tight push-button holes	.88 [22.4]	1.22 [31.0]
<b>T110-07</b>	steel, RAL 7035 gray textured powder coat			
<b>T110-10</b>	steel, ANSI 61 textured gray powder coat cap			
<b>T110SS</b>	304SS cap and weld stud with steel back plate and wing nut			
<b>T110SS-10</b>	304SS cap & components			
<b>T110SST-10</b>	316SS cap and weld stud with 304SS back plate and wing nut	1/2-inch [13] conduit holes	.88 [22.4]	1.38 [35.1]
<b>T114</b>	steel, ANSI 61 gray painted cap			
<b>T114-07</b>	steel, RAL 7035 gray textured powder coat			
<b>T114-10</b>	steel, ANSI 61 textured gray powder coat cap			
<b>T114SS</b>	304SS cap and weld stud with steel back plate and wing nut			
<b>T114SS-10</b>	304SS cap & components	3/4-inch [19] conduit holes	1.06 [26.9]	1.56 [39.6]
<b>T114SST-10</b>	316SS cap and weld stud with 304SS back plate and wing nut			
<b>T116</b>	steel, ANSI 61 gray painted cap			
<b>T116-07</b>	steel, RAL 7035 gray textured powder coat			
<b>T116-10</b>	steel, ANSI 61 textured gray powder coat cap			
<b>T116SS</b>	304SS cap and weld stud with steel back plate and wing nut	standard oil-tight push-button holes	1.25 [31.8]	1.75 [44.5]
<b>T116SS-10</b>	304SS cap & components			
<b>T116SST-10</b>	316SS cap and weld stud with 304SS back plate and wing nut			
<b>T112</b>	steel, ANSI 61 gray painted cap			
<b>T112-07</b>	steel, RAL 7035 gray textured powder coat			
<b>T112-10</b>	steel, ANSI 61 textured gray powder coat cap	1-inch [25] conduit holes	1.38 [35.1]	1.88 [47.8]
<b>T112SS</b>	304SS cap and weld stud with steel back plate and wing nut			
<b>T112SS-10</b>	304SS cap & components			
<b>T112SST-10</b>	316SS cap and weld stud with 304SS back plate and wing nut			
<b>T118</b>	steel, ANSI 61 gray painted cap			
<b>T118-07</b>	steel, RAL 7035 gray textured powder coat			
<b>T118-10</b>	steel, ANSI 61 textured gray powder coat cap			
<b>T118SS</b>	304SS cap and weld stud with steel back plate and wing nut			
<b>T118SS-10</b>	304SS cap & components			
<b>T118SST-10</b>	316SS cap and weld stud with 304SS back plate and wing nut
